

# Community Care begins at home...

**CatholicCare is proud to promote the 'social' side of its wide range of home care services with Home Care Package places available on its ever-popular social groups!**

With a variety of exciting activities that emphasise having fun and forming friendships, CatholicCare's social groups are fast becoming the go-to calendar event that Bundaberg-based seniors are flocking to.

And, a Home Care Package with CatholicCare Central Queensland can help you to get involved.

CatholicCare's Care Management Team Leader, **Jenny Tree**, said that it was wonderful to see so many older community members coming together to enjoy life and make the most of what the Bundaberg region has to offer.

*"Choosing CatholicCare as your Home Care Package provider means that our local team can really tailor your services to you and what you want out of life,"* Jenny said.

*"While the main goal of a Home Care Package is to keep seniors living at home confidently and safely, our care services aren't just delivered within the four walls of someone's home!"*

*"Home Care Package recipients can enjoy easy access to our popular social groups, as well as all of our additional services on offer like in-home care, home and yard maintenance and nursing supports"*

Jenny said that CatholicCare was proud to have a team of local, dedicated case managers, whose focus is on ensuring that if you have a Home Care Package, you are given the flexibility and choice to pick the most relevant services for you.

*"If you are looking for a Home Care Package provider, our team are happy to help you through the process,"* Jenny said.

*"Our friendly, local staff can provide you with all the information you need and answer any questions that you may have."*

*"At CatholicCare, our priority really is making sure that everyone has the ability to get the most out of life."*

**Please note:** CatholicCare's social group activities are available to **ALL CLIENTS**, you **DO NOT** have to be on a home care package to attend.

## Making things simple....

### Welcome to the April issue of Chat Monthly.

At CatholicCare we're all about trying to make things simple and easy for our clients. That goal of simplicity and ease of access applies to everything we do.

Our dedicated client contact team is available via phone, email, webchat and even Facebook to help and explain anything to you. They also work outside of standard business hours to be available at a wider range of times.

We offer fully managed plans to both NDIS and home care package clients, where our teams of experts will look after your plan so you can focus on living your best life, rather than dealing with all the admin. You can read more about our NDIS Plan Management team on the next page.

Our support workers are motivated and listen to your needs (and always welcome a chat too), meaning the things you want done day-to-day, get done correctly!

We offer full online booking for our counselling teams and online registration for our numerous family skills workshops.

Time is precious and we work tirelessly to streamline our processes and procedures so we can give you the services you want, as quickly, simply and more importantly safely as possible.

Until next time,
